##### **4.1 Economic Development, Governance and Communications Portfolio Report**

### **Summary**

Mayor Campbell presented his Economic Development, Governance and Communications Portfolio Report to Council.

### **Officer's Recommendation**

That Mayor Campbell's Economic Development, Governance and Communications Portfolio Report to Council be received.

### **Resolution:**

*Moved Cr KM Campbell, seconded Cr TW Fleischfresser.*

*That Mayor Campbell's Economic Development, Governance and Communications Portfolio Report to Council be received.*

### **Economic Development**

#### **Mundubbera to Jandowae Roads Working Group**

*Members of the Mundubbera to Jandowae Road Working Group met at Darr Creek Oasis to travel to Mundubbera, stopping at locations along the way. Brief consultations were held at different stops and the car convoy saw first-hand the state of the various sections of road through to Mundubbera. The opportunity to experience the road from a fully laden timber truck was presented to the group and taken up by RDA Wide Bay Burnett Executive Officer, Scott Rowe. The road trip concluded with a Working Group meeting which was hosted by North Burnett Regional Council. All participants on the road trip gained a better understanding of the road condition, reinforcing the purpose of the working group's establishment.*

#### **Building a Better Burnett Project**

*BIEDO Inc received funding under the Australian Government's Building Better Regions Fund to undertake a business growth related project in partnership with University of Southern Queensland and South Burnett Regional Council. The Building a Better Burnett project will be commenced in 2018.*

#### **Disaster Recovery Exercise**

*Economic Development participated in Council's first Disaster Recovery exercise, developing a broader understanding of the role of the Economic Recovery Sub Group, how the different sub groups work together and the importance in documenting appropriate Disaster Recovery planning. The Economic Recovery Sub Group will establish an Economic Recovery plan through 2018. Formulation of the Economic Recovery plan will be informed through actions being undertaken by the Economic Recovery Sub Group as a result of the storms which caused widespread damage over the Christmas-New Year period.*

### **Governance and Communication:**

#### **Recent Extreme Weather Events**

*With the seasonal outlook from the Bureau of Meteorology advising that December was likely to be wetter than average for our region, the South Burnett was impacted by several severe storm events between Boxing Day and New Year's Day. Council has been working since that time with local service providers such as BIEDO to capture information on the impact of the events on properties and has worked to try and meet the guidelines so that our community could access*

*funding support from State and Federal Government. The reality is that our region will not qualify for Natural Disaster Relief and Recovery Arrangements however there is still support available to those who have been impacted through local agency support. For information on support services available please contact Council.*

*I would like to take this opportunity to thank the emergency services, Council service staff, community service agencies as well as locals who came together to help remove trees from roads, make safe dwellings, undertake temporary repairs and provide baked goods to show how much our community cares for each other.*

**Lady Florence Bjelke-Petersen State Funeral**

*It was with sadness that we heard of the passing of Lady Flo. As the State funeral was announced just before Christmas, there was a significant amount of work behind the scenes which had to be undertaken by Council between Christmas and New Year's Day. I would like to thank our CEO Gary Wall and his staff for their tireless work during this difficult time for the Bjelke-Petersen family.*

**Draft Corporate Plan 2018 - 2022**

*At the meeting today, Council will consider the adoption of the draft Corporate Plan for 2018/19 to 2022/23. If adopted this draft plan will then be made available for community review and feedback during February. Council will be hosting consultation sessions at Blackbutt and Nanango on 8 February as well as at Kingaroy, Wondai and Murgon on 15 February. The draft plan will also be available on our Council website and at our customer service centres during February. It is anticipated that Council will adopt the finalised corporate plan at the Ordinary Meeting in March.*

*Carried 7/0*

*FOR VOTE - Councillors voted unanimously*

**4.2 Governance (G)**

***Officer's Report***

**4.2.1 G - 2448122 - Annual Operational Plan 2017/18 Progress Report for the October - December Quarter**

**Summary**

The Annual Operational Plan details the projects, services and initiatives that Council planned to deliver for the 2017/18 financial year. Pursuant to section 174(3) of the *Local Government Regulation 2012* a report must be presented to Council at regular intervals detailing the progress towards the implementation of the Annual Operational Plan.

**Officer's Recommendation**

That in accordance with section 174(3) of the *Local Government Regulation 2012*, the progress report for the October – December Quarter be adopted.

## **Community:**

### **South Burnett Libraries**

*During January and February a peer educator from Queensland's Council on the Ageing (COTA) will visit a number of South Burnett Libraries to host community education sessions about Enduring Powers of Attorney. If you or someone you know have ever wondered why you would need an Enduring Power of Attorney, these sessions provide information, resources and ideas to support people in thinking through important decisions. Who you would trust with your health, your money and decisions about your life?*

*Although these sessions are aimed at seniors, all members of the community are welcome to attend. Session locations and times are as follows:*

- *Kingaroy Library, Thursday January 25 at 10.00am*
- *Nanango Library, Thursday January 25 at 2.00pm*
- *Murgon Library, Thursday February 1 at 10.00am*
- *Wondai Library, Thursday February 1 at 2.00pm*

*The Summer Reading Club (SRC) is a free, interactive holiday program run each year by South Burnett Libraries in partnership with the State Library of Queensland. As part of the program, library staff have prepared and distributed Summer Reading Club packs to young members of our community aged 0-17. These packs include SRC merchandise and an activity booklet, along with a reading log to ensure all of the hours spent reading during the school holidays are captured. To complement this year's theme "Game on" libraries across the region have hosted school holiday activities including DIY board game creations and break up parties with games and crafts. Information about upcoming SRC break up parties is available through the library website.*

### **Community Grants Program**

*Christmas is always a very busy time for Council providing in-kind sponsorship to not-for-profit community organisations who run carols and carnivals. This past Christmas, Council provided in-kind support to the Kingaroy Christmas Carnival, the Wondai Christmas Eve Fair, the Murgon Christmas Carnival and Wondai Baptist Church Combined Church Services.*

*The Regional Arts Development Fund for 2016-17 has now been reported as required by Arts Queensland. During 2016-17, Council provided funding to:*

- *Blackbutt Art Gallery for an Acrylic Workshop - \$1,500*
- *Blackbutt Singers for the ANCA Choralfest - \$575*
- *Kingaroy Concerned Citizens Group for 385 Alive Project - \$3,450*
- *South Burnett Community Orchestra for the South Burnett Woodwind Ensemble Development Project - \$1,350*
- *Jumping Ants Arts Inc for "Connecting the Elements - Heat, water, fire" - \$5,700*
- *Barambah Branch Photographers for "Faces of the South Burnett" Exhibition - \$340; and*
- *South Burnett Woodcrafters Inc for Box Making and Embellishment - \$1,490*

*The next round of funding under the Community Grants Program will open 1 February closing 27 February. I would like to encourage not-for-profit community groups to apply for projects, activities and events for which they would like Council support.*

### **Tourism**

*The next South Burnett Unpacked tourism industry networking event will be held 20 February at the Bunya Mountains. Operators located at the Bunya Mountains and surrounds are invited to make presentations showcasing the destination. Blackbutt Visitor Information Centre is taking the opportunity to use this day as a volunteer familiarisation with all volunteers encouraged to attend.*

*Industry feedback from the November South Burnett Unpacked has been collated, comments included:*

- Discover South Burnett should be the Regional Flavours brand rather than South Burnett Directions,
- change accommodation rates at the 2 dams for low season – 50% off,
- develop a water park similar to what's on offer at Bli Bli,
- wineries to link up together as a region and run wine tours,
- increase promotion,
- develop tourism centre for peanuts,
- PCYC Murgon to increase activities,
- paddock to plate festival,
- events to communicate who runs them,
- best burger competition,
- PCA run tours

Further attendee feedback will be included in the Economic Development quarterly report.

RACQ Road Ahead media familiarisation will be in region early March, the focus of this article will be a family weekend in the South Burnett.

The Drive Inland Promotion Association is working with QORF (Queensland Outdoor Recreation Federation) to share links to the South Burnett and other regions along the Australia's Country Way and other highway routes. Staff are working to provide updated information, links and improved YouTube content for this project.

Discover South Burnett website is in the process of review and update with the tourism website taking on a seasonal look and feel.

Council is participating in a campaign to encourage people into the Visitor Information Centre Network which includes:

- participation in the town proud feature,
- South Burnett Rewards – check in to each of the 5 Visitor Information Centres within 12 months to be rewarded (locals and visitors),
- increased volunteer engagement focus for 2018,
- invitation for locals and visitors to share content – Like and follow Discover South Burnett on Facebook and Instagram and #discoversouthburnett in photos.

### **Health**

Council continues to monitor *Aedes aegypti* mosquito breeding within the South Burnett. It is important for residents to continue to help assist the control of this mosquito, particularly around their own homes by making sure that:

- Any containers (e.g. pot plant bases, tins, tyres, jars, toys, bird baths, fish ponds and ornamental ponds) that could hold or pond water are emptied out and cleaned in order to eliminate the potential for mosquito breeding areas.
- You clean out the leaves and other debris from your roof gutters.
- Your rainwater tank and any water wells need to be screened with wire gauze, no coarser than 1mm mesh.
- Your swimming pool is suitably chlorinated and the pool pump is operated regularly.

### **Human & Social Recovery**

As mentioned by the Mayor, parts of our region have been significantly impacted by severe storms particularly a strip from Kumbia through the north of the region such Mondure/Wheatlands areas. These property owners have experienced and continue to experience the devastation of both physical and financial loss. It is more than simply the replacement of what has been destroyed and the rehabilitation of those affected. It involves all aspects of our community working together to return the community to normality and to improve the resilience of our community. To this end Council has activated the Local Recovery Human & Social / Economic Sub-Groups to work with

our community and local service providers. As Chair of the Human & Social Recovery Sub-Group, we will continue to monitor the need for support from our community and coordinate responses.

**Boxing Day Storm**

*The Boxing Day storm created many issues for the water supply in the Kingaroy Town area. The severe storm disrupted power supplies to the Water Treatment Plant as well as key pump stations within Kingaroy. Thanks to Ergon's response and repairs to the damaged lines and transformers affecting the power supply, as well as reduced consumption within the town, water supply was able to be maintained within the town area.*

*Storm damage also affected water supply infrastructure in Murgon, Proston and Yallakool. All of the damage has now been repaired.*

**Dam Levels**

*Unfortunately the two (2) main water supply dams have yet to receive any significant inflows with Boondooma Dam remaining around 45% capacity and Bjelke-Petersen rising slightly to 19% capacity. With this in mind, water restrictions within all town water supplies in the South Burnett Region will remain at Level 3 restriction levels until significant inflows to these two dams are received.*

### ***Officer's Reports***

### **8.3.1 WM - 2449210 - Proposing to Make Local Law No.6 (Waste Management) 2018**

#### **Summary**

The State Government has established sunset expiry clauses for Section 7 of the *Waste Reduction and Recycling Regulation 2011* and Chapter 5A of the *Environmental Protection Regulation 2008*. These previously long standing provisions are planned to expire 1 July 2018.

In order for Local Governments to keep these essential provisions it has now become necessary for all Queensland Councils to adopt a Waste Management Local Law incorporating these to expire provisions.

#### **Officer's Recommendation**

1. Council resolves to propose to make Local Law No. 6 (Waste Management) 2018.
2. Council resolves, pursuant to section 257 of the *Local Government Act 2009* ("the Act"), to delegate to the Chief Executive Officer of Council its powers under section 38 of the Act and section 15 of the *Local Government Regulation 2012* to decide—
  - (a) how the public interest test of the local law (listed below) is to be conducted; and
  - (b) the matters with which the public interest test report in relation to the local law (listed below) must deal; and
  - (c) the consultation process for the public interest test and how the process is to be used in the public interest test.

## **Part 1 Preliminary**

### **1 Short title**

This local law may be cited as *Local Law No. 6 (Waste Management) 2018*.

### **2 Purpose and how it is to be achieved**

The purpose of this local law is to protect the public health, safety and amenity related to waste management by—

- (a) regulating the storage, servicing and removal of waste; and
- (b) regulating the disposal of waste at waste facilities; and
- (c) ensuring that an act or omission does not result in—
  - (i) harm to human health or safety or personal injury; or
  - (ii) property damage or loss of amenity; or
  - (iii) environmental harm or environmental nuisance.

### **3 Definitions**

The dictionary in the Schedule (Dictionary) of this local law defines the particular words used in this local law.

### **4 Relationship to other laws**

- (1) This local law is—
  - (a) in addition to and does not derogate from laws about the management of waste; and
  - (b) to be read with *Local Law No. 1 (Administration) 2011*.
- (2) For the purposes of *Environmental Protection Regulation 2008*, section 81ZC, this local law replaces *Environmental Protection Regulation 2008*, chapter 5A (Waste management by local governments).

## **Part 2 Waste management**

### **Division 1 Designation of areas for general or green waste collection**

#### **5 Designation of areas**

The local government may—

- (a) by resolution, designate areas within its local government area in which the local government may conduct general waste or green waste collection; and
- (b) decide the frequency of general waste or green waste collection in the designated areas.

## **Division 2      General waste**

### **Subdivision 1   Storage of general waste**

#### **6      Owner or occupier of premises to supply waste containers**

- (1) The owner or occupier of premises must—
  - (a) subject to subsection (2), supply standard general waste containers at the premises as—
    - (i) are necessary to contain the general waste produced at the premises; or
    - (ii) are prescribed by subordinate local law; or
  - (b) supply at the premises, waste containers, other than standard general waste containers, as—
    - (i) if required by the local government — are necessary to contain the general waste produced at the premises; or
    - (ii) are prescribed by subordinate local law.

*Examples of ways the local government may require waste containers for paragraph 1(b)(i)—*

by a resolution of the local government or a development approval for the premises

Maximum penalty — 20 penalty units.

- (2) However, subsection (1)(a) does not apply if the local government supplies to the premises the number of standard general waste containers the local government reasonably considers is required at the premises.
- (3) If the local government supplies a standard general waste container to premises under subsection (2), the reasonable cost of supplying the container is a debt payable by the owner or occupier of the premises to the local government.
- (4) However, subsection (3) does not prevent the local government from supplying a standard general waste container to premises without cost to the owner or occupier of the premises.

**7 Requirements for storing general waste in waste containers**

- (1) The occupier of premises must—
- (a) store general waste produced as a result of the ordinary use or occupation of the premises in—
    - (i) a standard general waste container; or
    - (ii) if another type of waste container is prescribed by subordinate local law — the other type of container; and
  - (b) keep each waste container clean and in good repair; and
  - (c) ensure that each waste container is securely covered, except when the waste is being placed in, or removed from, the container or the container is being cleaned.

Maximum penalty — 20 penalty units.

- (2) A person must not—
- (a) place any of the following in a waste container—
    - (i) a liquid, semi-liquid or moist substance, unless the substance is securely wrapped or contained to prevent the substance leaking from the wrapper or container; or
    - (ii) material that is smouldering or aflame; or
    - (iii) matter or a thing that is alive; or
    - (iv) a thing stated in a subordinate local law; or
  - (b) remove or disturb the cover of a waste container, except when placing waste in or cleaning the container; or
  - (c) use or damage a waste container so that it is not weatherproof or serviceable or cannot be securely covered; or
  - (d) disturb or otherwise interfere with the contents of a waste container.

Maximum penalty — 20 penalty units.

- (3) The occupier of the premises must not allow a person to place a thing in a waste container in contravention of subsection (2)(a).

Maximum penalty — 20 penalty units.

- (4) It is a defence in a proceeding against a person for an offence under subsection (3) for the person to prove the contravention was due to causes over which the person had no control.

**8 General requirements for keeping waste containers at serviced premises**

(1) Subject to subsection (2), the occupier of serviced premises must ensure that a waste container supplied for the premises is kept—

(a) if the local government requires the container to be kept at a particular place at the premises — at the place (the *waste container storage place*); or

*Examples of ways the local government may require waste containers to be kept at a particular place —*

by a resolution of the local government or a development approval for the premises

(b) if a subordinate local law requires the container to be kept at a particular place at the premises — at the place (also a *waste container storage place*); or

(c) if paragraphs (a) and (b) do not apply — at ground level close to the rear alignment of a building at the premises.

Maximum penalty — 20 penalty units.

(2) Subsection (1) does not prevent the occupier of the serviced premises from placing a waste container in a place outside the premises for the collection of general waste from the container, if—

(a) the local government has arranged to collect waste from the container at the place; and

(b) the container is in the place for no longer than—

(i) the period, if any, allowed under a local law of the local government; or

(ii) 24 hours before or after the scheduled collection day for the collection of the waste in the container.

*Example of a place outside serviced premises—*

the kerb adjacent to the serviced premises

(3) If the local government has arranged for the collection of general waste from a waste container at serviced premises, the occupier of the premises must ensure there is unobstructed access to the container for removal of the waste.

Maximum penalty for subsection (3) — 20 penalty units.

(4) It is a defence in the proceeding against a person for an offence under subsection (3) for the person to prove the contravention was due to causes over which the person had no control.

**9 Other requirements for storing general waste at particular serviced premises**

- (1) This section applies to any of the following persons (each a *prescribed person*) for serviced premises, other than a single detached dwelling—
  - (a) the owner or occupier of the premises;
  - (b) if a prescribed ERA is carried out at the premises — the holder of the environmental authority for the prescribed ERA.
  
- (2) The prescribed person must ensure that the waste container storage place for the premises is supplied with—
  - (a) if required by the local government — each of the following—
    - (i) either—
      - (A) an elevated stand at a level required by the local government for holding all waste containers; or
      - (B) an imperviously paved area, drained as required by the local government, where all waste containers can be placed;
    - (ii) a hose cock and hose in the vicinity of the stand or paved area;
    - (iii) a suitable enclosure for the area where the waste containers are kept; and

*Examples of ways the local government may require a prescribed person to comply with subsection (2)(a) —*

by a resolution of the local government or a development approval for the premises
  - (b) if a requirement is prescribed by subordinate local law — facilities and structures for the placement, storage and cleaning of waste containers as prescribed by subordinate local law.

Maximum penalty for subsection (2) — 20 penalty units.

**Subdivision 2 Removal of general waste**

**10 Local government may give notice about removal of general waste**

## **Part 4 Subordinate local laws**

### **18 Subordinate local laws**

The local government may, by subordinate local law, specify—

- (a) a thing that is specified to be waste pursuant to the Schedule (Dictionary) of this local law; and
- (b) requirements about the necessity to supply standard general waste containers at premises under section 6(1)(a); and
- (c) requirements about the supply at premises of waste containers, other than standard general waste containers, to contain the general waste produced at the premises under section 6(1)(b); and
- (d) another type of waste container for the storage of general waste produced as a result of the ordinary use or occupation of premises under section 7(1); and
- (e) a thing that a person must not place in a waste container under section 7(2); and
- (f) requirements about the keeping of the waste container supplied for premises at a particular place at the premises under section 8(1)(b); and
- (g) requirements about the supply of facilities and structures for the placement, storage and cleaning of waste containers under section 9(2)(b); and

- (h) requirements about the supply at premises of industrial waste containers for storing industrial waste at the premises and other requirements about waste containers for the storage of industrial waste under section 12(1)(b); and
- (i) requirements about the treatment of industrial waste under section 13(b); and
- (j) waste that a person must not deposit at a waste facility under section 14(1).

## Part 5 Transitional provisions

### 19 Continuation of chapter 5A requirements

- (1) This section applies if a provision of *Environmental Protection Regulation 2008*, chapter 5A (Waste management by local governments), is replaced by a provision of this local law.
- (2) In this section, **prescribed provision** means a provision of *Environmental Protection Regulation 2008*, chapter 5A (Waste management by local governments) which is replaced by a provision of this local law.
- (3) If the local government has made a requirement under a prescribed provision prior to the commencement of this local law, the requirement applies for the provision of this local law which replaced the prescribed provision from the commencement of this local law.

Example —

The local government may require that a waste container supplied for serviced premises be kept at a particular place at the premises by development approval for the premises under *Environmental Protection Regulation 2008*, section 81ZH(1). *Environmental Protection Regulation 2008*, section 81ZH(1) is a prescribed provision which is replaced by section 8 (General requirements for keeping waste containers at serviced premises). A requirement under the prescribed provision made prior to the commencement of this local law would apply for section 8 of this local law from the commencement of this local law.

## **9.2 Natural Resource Management & Parks (NRM&P)**

### ***Officer's Reports***

#### **9.2.1 NRM&P - 2449141 - Request from Wooroolin Lions Club to erect a shed structure to showcase a historical peanut thrasher and to relocate the original Wooroolin Train Station from the Wooroolin Sportsground to Dalton Park in Wooroolin**

### **Summary**

The Wooroolin Lions Club has received a grant from the Gambling Community Benefit Fund (GCBF) to:-

1. erect a shed structure to showcase a historical peanut thrasher; and
2. relocate the original Wooroolin Train Station from the Wooroolin Sportsground back up to Dalton Park (ex-rail corridor) in Wooroolin.

Council currently hold a Sub Lease from the Department of Transport & Main Roads over the park area (ex-rail corridor). A sub-sublease or licence to occupy over the area will be required with approval from the Department of Main Roads necessary for Council to grant the subtenancy. A licence to occupy would be the appropriate tenancy.

A resolution of Council to enter into the licence to occupy with appropriate conditions would be required.

## Officer's Recommendation

That Council enter into a licence to occupy with the Wooroolin Lions Club for 2 (two) small parcels of land within Lot 3 on SP125007 to erect a shed structure to showcase a historical peanut thrasher and relocate the original Wooroolin Train Station from the Wooroolin Sportsground to Dalton Park in Wooroolin (ex-rail corridor) subject to Council's standard licence to occupy terms, inclusive of the following conditions:

- A nominal licence to occupy fee of \$75 per annum, plus GST
- The final location and area of the licence to occupy shall be determined and approved by the Chief Executive Officer prior to execution of the licence to occupy.
- The Wooroolin Lions Club will be responsible for the ongoing maintenance of the infrastructure established by the group.
- The Wooroolin Lions Club will obtain all necessary building approvals for the infrastructure to be established on the sites.
- The rail building be utilised as a static display only.
- Council planning approval be obtained prior to any future or proposed use of the structures.
- The rail building be upgraded to an appropriate standard as determined by the Chief Executive Officer to ensure amenity of the area is maintained.
- No water or power connections are to be made to the structures without prior Council approval.
- All asbestos material shall be removed prior to relocation of the rail building.

## Resolution:

*Moved Cr TW Fleischfresser, seconded Cr RJ Frohloff.*

*That Council consider the 2 projects (1. Erection of a shed structure to house a historical peanut thrasher and 2. Wooroolin Train Station relocation) proposed by the Wooroolin Lions Club separately.*

**10. Portfolio - Finance, ICT & Human Resources**

**10.1 Finance, ICT and Human Resources Portfolio Report**

**Summary**

Cr Heit presented her Finance, ICT and Human Resources Portfolio Report to Council.

**Officer's Recommendation**

That Cr Heit's Finance, ICT and Human Resources Portfolio Report to Council be received.

**Resolution:**

*Moved Cr RLA Heit, seconded Cr DA Potter.*

*That Cr Heit's Finance, ICT and Human Resources Portfolio Report to Council be received.*

**Financial Report:**

*The financial statements are as at 31 December 2017.*

*The financial results are performing to target with 50% of the year completed. The revenue and expenditure items percentage to budget is generally reflective of 50%.*

---

*Items which deviate slightly from 50% are as follows:*

- *Fees and Charges is running at 59% due to revenue received from Rate Certificates, timing of the recognition of the Commission for the State Fire Levy, Planning and Land Management Charges, Kingaroy Waste Management Fees and Fees for water sales to Irrigators in Blackbutt.*
- *Other Income is at 64% of budget and includes items such as Workcover Wage Reimbursements and other Miscellaneous Income like, sale of scrap steel and insurance claim reimbursements.*

*The capital budget adjustment to reflect the Works for Queensland Round 2 funding is included in the 2<sup>nd</sup> quarter budget review and is before Council for approval today.*

*As I mentioned last month the capital expenditure reflects the write off adjustments as assets are capitalised from Work in Progress.*

### **Ratios**

*All indicators are within the desired range..*

### **Capex Report**

*The capex report for this month has been included for the information of Council. Actual expenditure at the end of November was \$11.412m or 35% of the available budget. Taking committed expenditure into account takes the total spend to 48.2% of the available capital budget.*

### **Works for Queensland**

*At reporting date, \$751,950 had been spent on the Round 2 Projects. The expenditure report is provided for the information in today's agenda.*

### **Rating and Rate Recovery**

*Since referring overdue ratepayers to the debt collection agency over \$500,000 in overdue rates has been recovered which is beneficial to council finances.*

*Staff are currently working with Recoveries and Reconstruction (R&R) to compile the first list of properties earmarked to proceed to Court action. At the present time, 238 properties have been confirmed with another 17 or so to be further reviewed as to whether or not Court action should proceed at this time.*

### **Second Quarter Budget Review Financial Year 2018**

*The operating budget result is better detailed in the Council agenda with the projected surplus following the second quarter review at \$1.141m compared to the original budgeted surplus projection of \$577,000. Some key points of notes are:*

- *the known effect of the redundancy program is reflected in this review as well as,*
- *the inclusion of the Flood Restoration Program as a result of the restoration works from TC Debbie.*

*A further review of the operating result for the next 9 years is to be undertaken with the Senior Executive Team and will be reported in the third quarter review of the current budget.*

*The second quarter capital budget review is also shown in detail in the agenda with the key point to note being:*

- *\$2,862,700 has been taken from the proposed Waste Water Capex Budget and transferred to Restricted Cash. This funding is for ongoing network renewals; sewer relining for example. The network renewal program will basically become a larger program and is expected to be delivered in 2018/2019 financial year. This larger program will utilise a combination of funds from this financial year and the 2018/19 financial year. An approach like this provides purchasing savings and economies of scale benefits as a larger program of works.*

### **Human Resources**

*Recruitment for this years' trainee positions will begin in February with anticipated start date of April. I encourage potential applicants to keep an eye on the media outlets for application information for these wonderful opportunities.*

*In closing I would like to put on record my appreciation for the staff over the festive season for two reasons.*

*Firstly in assisting with the set up of Lady Flo's State funeral. A number of staff in particular Gary Wall, Carolyn Knudsen and Michael Hunter were heavily involved in the logistics of the day but also many staff in tidying up the town, setting up and manning barricades. It certainly contributed to the success of the day and reflected well on our community.*

*Secondly in the aftermath of the Boxing Day storm a number of farmers have complimented Council in their swiftness to respond to clearing roads and the damage inflicted by the storm.*

*Thank you to the staff for your work in this area.*

## 10.2.2 F - 2448993 - Second Quarter Review of 2017/2018 Operating and Capital Budgets

### Summary

#### Operating Budget

A review of the 2018 Budget has been undertaken as at 31 December 2017. The amended Operational Budget results in an operating surplus of **\$1,141,164**.

Attached to this report are the Long Term Financial Sustainability Statements.

The table below shows the projected changes compared to the original budget:

	<b>Original</b>	<b>First Quarter</b>	<b>Second Quarter</b>
General Operations	\$(250,433)	\$(148,463)	\$(21,380)
Plant and Fleet	\$48,140	\$(60,881)	\$107,629
Water	\$88,723	\$88,723	\$163,793
Waste Water	\$513,466	\$513,466	\$477,976
Waste	\$177,769	\$168,769	\$245,805
Flood Restoration	-	-	\$167,341
	<b>\$577,665</b>	<b>\$561,614</b>	<b>\$1,141,164</b>

#### Comment

The known effect of the redundancy program is reflected in this review as well as the inclusion of the Flood Restoration Program as a result of the restoration works from TC Debbie.

#### Capital Budget

The Capital Budget second quarter revision report is also attached.

Second Quarter revision adjustments are scattered throughout the report with the most significant adjustments as follows:

#### Roads and Drainage Services:

- Inclusion of \$175,000 paid in the 2016/2017 financial year for Murphy Road;
- Inclusion of \$30,000 for the Haly Street, Kingaroy footpath;
- \$70,000 for the Alford Street, Kingaroy cycleway; and
- \$42,000 for the Cairns Street, Nanango cycleway.

#### Wastewater Services:

- \$2,862,700 has been taken from the proposed Capex Budget and transferred to Restricted Cash. This funding is for ongoing network renewals. The network renewal program is expected to be delivered in 2018/2019 financial year using funding from this financial year

(2017/18) and 2018/2019. This approach provides purchasing and economies of scale benefits as a larger program of works.

**Officer's Recommendation**

That in accordance with Section 170(3) of the *Local Government Regulation 2012* the revised Budget be adopted.
