4.1 Economic Development, Governance and Communications Portfolio Report

Summary

Mayor Campbell presented his Economic Development, Governance and Communications Portfolio Report to Council.

Officer's Recommendation

That Mayor Campbell's Economic Development, Governance and Communications Portfolio Report to Council be received.

Resolution:

Moved Cr KM Campbell, seconded Cr TW Fleischfresser.

That Mayor Campbell's Economic Development, Governance and Communications Portfolio Report to Council be received.

Economic Development:

International Visit to the South Burnett

SBRC was proud to support the initiative of the South Burnett Wine Industry Association in hosting a representative of the Hong Kong based Wine Luxe Magazine during the early part of January 2017.

Councillors had the opportunity to meet delegates at a Lunch hosted by the Wine Association at Cassis at Booie.

As a result of this visit, Mr Nelson Siu of Wine Luxe Hong Kong will profile the wines of the South Burnett on their website, develop media articles in their Wine Luxe magazine and provide advocacy to Chinese based industry and networks.

Following on from this positive visit, South Burnett industry has the opportunity to promote their products at the HOFEX 2017 International Food Show during May of 2017. The Queensland Government will be leading a HOFEX trade mission to Hong Kong and Taiwan.

Council will endeavour to run an export ready workshop early in 2017 for interested businesses wishing to become export ready or to build upon their export knowledge.

South Burnett Economic Development Strategy 2014 to 2019

The South Burnett Economic Development Strategy was prepared in 2014 and it is timely for Councillors and South Burnett Directions to jointly review the strategy going forward. This will happen during the first quarter of 2017.

Water:

South Burnett Directions has investigated ways in which water for agriculture can aid the growth of this important sector. The Wide Bay Burnett Regional Organisation of Councils (WBBROC) has commenced scoping a water for agriculture growth project for the Wide Bay Burnett region. This includes the South Burnett. The information gathered by SBD will be included in this new project scope. Council staff will participate in the project implementation to ensure the South Burnett benefits from opportunities identified. This approach is the most appropriate as the Wide Bay Burnett Council regions are all part of the same water scheme and the best outcomes are achieved by working together.

Heavy Vehicle Transport:

South Burnett Regional Council has a dual approach to improving heavy transport efficiencies in and out of the region.

Firstly, it is participating in the WBBROC 'Last Mile Project' which is working with Transport and Main Roads and the Federal Heavy Vehicle Transport Regulator to establish a flexible and safe approach for individual business to access main transport routes from their place of business. This approach is particularly important as it is cost prohibitive to upgrade a large number of local roads.

Secondly, through the South Burnett Directions Transport Reference Group priority heavy vehicle transport routes that restrict efficient transport of product to market have been identified. An economic analysis will be undertaken on these routes to identify the cost impost imposed on the region by these routes. In addition the economic benefits to the region if the roads are upgraded will be analysed. This information will be prepared in conjunction with TMR and forwarded through the relevant State Government Roads Group. We will be using this information to push for improvements to these Roads.

South Burnett Rewards:

There are currently 54 businesses registered for South Burnett Rewards.

Media is being rolled out to the community. Editorials have been included in the South Burnett Times, as well as radio ads. The SB Rewards Facebook page likes are increasing as are the participation statistics.

Grant for Exercise Precinct:

Council recently submitted a grant application for funding to develop an exercise precinct behind the Town Common Hall. This was an idea from Taabinga Rotary and Council provided support.

The funding was announced last week, and the application was successful.

Capacity Building:

A Mentoring for Growth panel session was held at Murgon during November 2016, for local businesses.

Digital Connectivity:

The recently announced Australian Government Mobile Blackspot Program - Round 2 – awarded 4 new base locations in the South Burnett:

- Gordonbrook (Telstra)
- Maidenwell (Optus)
- Tingoorra (Telstra)
- Winderera (Telstra)

Noting that Round 1 also awarded 4 locations to the South Burnett.

Transport Reference Group (TRG):

The inaugural meeting was held on 29 November 2016. The following routes were identified as critical to improving heavy vehicle transport to/from and through the South Burnett:

- Durong – Tingoora
- Bridges – Kilcoy and Woodford
- Kingaroy – Dalby
- Proston – Boondooma
- Mundubbera - Durong

It is intended to undertake an economic analysis on the efficiencies/inefficiencies of these routes. This information will be fed through the Wide Bay Burnett Regional Roads Group.

Transport and Main Roads who are members of the reference group commented that the South Burnett TRG is a first of its kind and a great initiative. TMR are supportive of flexible approaches to improve transport efficiencies.

Health:

South Burnett Community Hospital Foundation

New equipment purchased to the value of \$218,485 (GST Inclusive) will allow the hospital to undertake the following new services commencing January 2017:

- Gynaecology
- General Surgery

Additional equipment purchases will be further evaluated early 2017.

Tourism:

Responsive South Burnett Tourism Website 'discoversouthburnett.com.au':

A 3 month Google Adword Campaign commenced in December that will target the following experience groups:

- Wineries and
- Wine Trails
- Camping
- Caravan Parks
- Bunya Mountains Accommodation
- Scenic Drive
- Romantic Getaway
- South Burnett which includes tourism information, activities, fishing and what to do in the South Burnett.

Marketing print and digital promotion under the brand Discover South Burnett.

The South Burnett is promoted in Southern Queensland Country Tourism 2017 campaign in the Southern Queensland Country Tourism visitor guide.

The South Burnett Touring Guide has been updated and reprinted, with 30,000 copies printed (increase of 10,000) for distribution through:

- Visitor Information Centres
- Link Logic distribution (outside region)
- Operators
- Consumer shows
- Digital versions to Discover South Burnett website; Southern Queensland Country Tourism website; RACQ virtual visitor information centre

Australia's Country Way Highway Group

SBRC is a longstanding member of Australia Country Way (ACW). An alliance between Australia's Country Way and Leichhardt Highway group is being developed.

Highway group membership is important to the South Burnett which is a drive and short stay destination.

Culinary Tourism:

A food forum was hosted in Kingaroy on 28 November with approximately 75 attendees – both growers and on sellers. Presenters included a farmer, café owner and media consultant from outside the region who are successfully working in culinary tourism.

Next steps are to build and publish a database of local produce and interested businesses and facilitate a food networking group.

International Visitors:

Following on from the Kangaroo Mommy visit to the South Burnett opportunities are being created to attract international visitors to the South Burnett.

International business tours will provide a platform for local businesses to showcase and present their potential investment and strategic partnership opportunities to international investors.

Governance and Communication:

Communication

Council does its best to ensure that we have transparent and effective processes, and decision-making in the public interest. We endeavour to keep up-to-date information on processes and decisions of Council available on Council's website.

Under Queensland's Right to Information Act 2009 and Information Privacy Act 2009, members of the community are able to apply for access to documents held by Council (subject to statutory exemptions). The Acts also allow members of the community to apply for and make amendments to be made to documents concerning their personal affairs, where it is believed the information is incomplete, out-of-date, inaccurate or misleading.

The Governance section receives and processes all Council's Right to Information and Information Privacy requests. In 2015/16 they dealt with 20 applications.

Applicants who are not satisfied with the response provided by Council are able to have matters referred for consideration by the Information Commissioner. During 2015/16 there was only two (2) applications for independent review, indicating that most applicants were generally satisfied with the approach taken by the Governance Section in processing requests for information. The two (2) independent reviews were successfully resolved through negotiation between the applicant and the Office of the Information Commissioner.

You can find details of non-personal information released under the Right to Information Act 2009 on the disclosure log available on Council's website.

Purpose: Meeting of Traffic Advisory Committee (TAC)
Venue: South Burnett Regional Council, Warren Truss Chamber, Kingaroy
Date: 13 December 2016
Attendance: Cr Gavin Jones (Chair), Cr Terry Fleischfresser, Cr Ros Heit (arrived 11am), Russell Hood (SBRC General Manager Infrastructure), James D'Arcy (SBRC Manager Design & Technical Services), Snr Sgt Duane Frank (OIC QPS Kingaroy), Snr Const Jade Miller (Dalby Road Policing Unit), Snr Sgt Lance Guteridge (OIC QPS Murgon), Sgt Sean Relf (QPS Yarraman), Vince Green (A/Principal Engineer TMR Bundaberg), Russell Rogers (Snr Advisor Traffic & Road Safety TMR Bundaberg), Renee Taylor (TMR Customer Service Manager, Kingaroy), Kay Dove (Infrastructure Support Officer).
Apologies: Cr Keith Campbell, Maree Shepherd (Safety Officer, TMR Bundaberg), Travis Cramb (OIC Kingaroy QAS), Sgt Mark Weitowitz (OIC Dalby Road Policing Unit), Snr Constable Adam Entwistle (QPS Kumbia), Michael Formica (OIC Murgon QAS), Sgt Alan Gerrard (QPS Blackbutt), Wayne Crofts (TMR Manager Road Safety Southern Region).

AGENDA ITEM	OUTCOME
OPENING	Cr Jones chaired the meeting and welcomed all those present.
CONFIRMATION OF PREVIOUS MINUTES	Moved by Snr Sgt Frank seconded Cr Terry Fleischfresser that the Minutes of the previous Traffic Advisory Committee meeting held 6 October 2016 as recorded are confirmed.
BUSINESS ARISING FROM PREVIOUS MEETING	<p>(a) Request for an extension to the 60 kph zone, Bunya Hwy at Tingoorra by 200m</p> <p>Snr Const Jade Millar QPS requested an extension to the 60 kph zone on the Bunya Hwy at Tingoorra by approx. 200m due to the short distance of that zone.</p> <p>ACTION: Report being compiled by TMR and will be presented at the next meeting.</p>

<p>(b) One lane bridge near Tanduringie School</p>	<p>TMR advised there is no current funding for replacement of this bridge on Kingaroy Cooyar Road. Russell Rogers has also investigated and advised that crash data recorded is 3 crashes for the last 5 years and it appeared that the bridge was not the primary cause of these crashes. A bridge upgrade is the preferred option however funding has not been set aside for this. Cr Jones has spoken to the Hon Deb Frecklington MP and will speak to the Hon David Littleproud MP this Friday.</p> <p>ACTION: Cr Jones will continue to advocate for funding assistance from State and Federal representatives. CLOSED</p>
<p>(c) Bunya Hwy at Memerambi</p>	<p>Russell Rogers and Vince Green did a day and night review and TMR will continue to analyse the traffic data as the development starts to become occupied.</p> <p>ACTION: TMR will continue to monitor traffic data and report back to the March meeting.</p>
<p>(d) Zebra Crossing Bunya Hwy, Kumbia</p>	<p>After investigation, TMR reported that it is the only crossing in the town of Kumbia and primarily used by school children and is not a good location for this purpose. TMR need to have further discussion on how to cater for children as numbers using the crossing are low.</p> <p>TMR invited Cr Heit to provide comment in the absence of Snr Const Entwistle. Cr Heit had met with the Principal and other residents and provided that feedback to the committee.</p> <p>ACTION: (1) SBRC make application via SafeST funding for a new pedestrian facility across Bunya Hwy adjacent to the Kumbia State School between Roberts Street and the existing set-down area; (2) This Committee supports the removal of the existing crossing; and (3) D&TS will draft a preliminary layout and estimate for the new pedestrian facility.</p>
<p>(e) Champneys Rd, Crawford (off Bunya Hwy) on the western side of Redmans Hill</p>	<p>TMR investigated and agreed that removal of this road access point is desirable to improve safety.</p> <p>ACTION: SBRC will liaise with property owners fronting Champneys Road about the proposed closure of the direct access to the Bunya Highway west of Redmans Hill and subsequently advise TMR.</p>

<p>(f) Krebs & Lamb Streets, Murgon</p> <p>GENERAL BUSINESS (a) Boondooma Dam Rd</p> <p>(b) Bunya Hwy north of Kingaroy</p> <p>(c) Exit from Carrollee Hotel bottle shop</p>	<p>Russell Rogers reported on the action from last meeting. TMR will shift the Give Way bar back further. TMR will also continue to liaise with SBRC regarding removal of more parking bays west of Krebs Street.</p> <p>CLOSED</p> <p>Request from the Proston Men's Shed for a speed review on Boondooma Dam Rd. TMR investigated and found grass does need cutting on crest. Waiting to assess accident data before review can be finalised.</p> <p>ACTION: Report being compiled by TMR and will be presented at the next meeting.</p> <p>Request for a reduction of the current speed limit north of Kingaroy between Banksia Drive and Taylors Road. The request specifically asks for an extension of 60 kph zone to beyond the proposed road access into the proposed Kingaroy North development area. Further relevant information:</p> <ul style="list-style-type: none"> • This matter was raised in March 2016 through the TAC and Adam Williams TMR had the action to investigate further; • Upgrades to the Taylor's Rd intersection will occur in 2017; and • SBRC is waiting for a development application from G Crumpton and Sons on the western side of the Bunya Highway and this may have to be taken into account. <p>The Committee will not recommend any change to the speed pre-development. The developer needs to continue to liaise with TMR for their planning and design.</p> <p>CLOSED</p> <p>Cr Terry Fleischfresser asked for this exit onto Haly St to be investigated as sight distance is restricted due to parallel car parks between the entry and exits of the drive through bottle shop.</p> <p>ACTION: SBRC will investigate the existing parallel car parks on Haly St between the entry and exits of the Carrollee Hotel drive through bottle shop.</p>
---	---

<p>REPORTS</p> <p>Yarraman Police</p> <p>Kingaroy Police</p> <p>Transport and Main Roads</p>	<p>Sgt Sean Reif introduced himself and explained his role of QPS Senior Crash Investigator to the Committee.</p> <p>Snr Sgt Frank reported that Kingaroy Police numbers are steady, are governed by funding and there will not be any additional staff when they move into the new building. The new building is expected to be completed in February 2017.</p> <p>Vince Green received a complaint about sight distance in Lamb Street on the eastern side of the CBD near Watt Street. Vision is impaired by a large tree.</p> <p>ACTION: SBRC will arrange for the tree limb identified to be removed.</p> <p>CLOSED</p> <p>Meeting Closed: 11.20 am</p> <p>Cr Jones and Russell Hood thanked all for their attendance and extended Season's Greetings to all.</p> <p>Next Meeting: 14 March 2017</p>

6. Portfolio - Community & Health Services & The Arts

6.1 Community and Health Services and the Arts Portfolio Report

Summary

Cr Potter presented her Community and Health Services and the Arts Portfolio Report to Council.

Officer's Recommendation

That Cr Potter's Community and Health Services and the Arts Portfolio Report to Council be received.

Resolution:

Moved Cr DA Potter, seconded Cr RJ Frohloff.

That Cr Potter's Community and Health Services and the Arts Portfolio Report to Council be received.

South Burnett Libraries Volunteer Recognition

To show appreciation for all of their hard work during 2016, library volunteers across the service were treated to a "thank you" party held in each centre during December. Library volunteers carry out a variety of tasks in each branch that add value to the service, including hosting Spanish classes, delivering story time sessions, helping with Ancestry.com and much more.

Holiday Activities

Christmas craft again proved popular across the service, with each branch hosting an activity session dedicated to all things merry. Highlights of the program included making Santa out of cups, creating a reindeer sleigh from an egg carton, making banners and gift baskets and being challenged to create a Christmas tree from just newspaper! The Kingaroy Library also hosted a special Christmas edition of Minute to Win It, which included a very funny bottom shaking – jingle bell jingling challenge that had all of the young attendees (and their mums and dads) in stitches.

Summer Reading Club

This year's Summer Reading Club has been a real hit with our young community members, as they all race to read the most books in the South Burnett over the school holidays. Activity packs and merchandise have been handed out, with many children already returning their reading logs and collecting new ones. This year's nation-wide theme of Heroes and Villains has been well received, with activities planned to compliment it, including creating ninjas and superhero puppets, and making masks.

Proston Library

On Tuesday 6 December, 11 children, 6 Mums and 2 Dads attended Railway Park in Proston for the Rhyme Time Christmas party. This event was held to celebrate the success of the Rhyme Time program in Proston, and included a sausage sizzle and concert performed by the littlies who attend the sessions regularly.

Be bowled over with Carl Rackemann

On Wednesday 7 December, Carl Rackemann visited the Proston Town Hall to talk about his career in cricket. The talk covered his experiences playing for Queensland and internationally, and also his charity patronage of South Burnett Relay for Life. The 43 attendees enjoyed Carl's wonderfully funny stories as he retold cricketing escapades and lamented that the larrikinism that existed then is now no longer part of the new influx of cricketers. He had a lot of statistics available off the top of his head and he received many questions from the audience at the end of presentation.

Community Assistance Funding

Will open on 1st February for local not-for-profit community organisations based in the region to apply for funding up to \$3000 to assist them in delivering events and projects that benefit South Burnett residents. The round will close on 28th February.

Healthy Communities Grant Program

Round 1 of this Program for 2016/17 will also open on 1st of February to provide assistance to not-for-profit organisations based within the South Burnett Regional Council area that increase the number of South Burnett residents engaged in physical and/or healthy programs and activities.

This funding program will provide sponsorship for individual projects and activities of up to \$2,000. Round 1 will remain open for the month of February.

Health Services:

Mosquito Control

January weather continues to be favourable for mosquitoes so the message to residents continues to be the same. Residents can assist to help control mosquitoes, particularly around their own homes by making sure that:

- Any containers (e.g. pot plant bases, tins, tyres, jars, toys, bird baths, fish ponds and ornamental ponds) that could hold or pond water are emptied out and cleaned in order to eliminate the potential for mosquito breeding areas.
- You clean out the leaves and other debris from your roof gutters.
- Your rainwater tank and any water wells need to be screened with wire gauze, no coarser than 1mm mesh.
- Your swimming pool is suitably chlorinated and the pool pump is operated regularly.

Officer's Reports

6.2.1 CG - 1696731 - Write off reportable material loss of an asset belonging to the Local Government

Summary

Pursuant to Section 307A of the *Local Government Regulation 2012*, Council has an obligation to record and notify the material loss of an asset belonging to the local government.

On the 30 November 2016, a \$500 cash shortage occurred in the ECU Australia Ltd cash holdings for which Council is responsible as an agent operating out of the Council's Blackbutt office.

Council commenced an investigation into the incident and during the investigation viewed available CCTV footage and established no irregular activity was identified. Account holders that performed banking transactions that day were also contacted in an effort to discover if an overpayment was received during their transaction.

After a detailed investigation of the incident the funds were unable to be found. The following procedures have now been implemented to prevent further incidents/loss.

1. Staff to have required cash handling training for withdrawals and deposits.
2. Implementation of a cash movement record for transfers between bulk holdings to daily till holdings (to and from).
3. When distributing or accepting funds from account holders cash and coin is to be counted directly in front of customer.
4. When cash deposits are received, total funds dissection including dollar amount, total notes/ coin and total bundles is to be noted on the reverse side of the deposit slip.
5. Cash breakdown section is to be completed on all business banking deposit slips and should include a complete dissection of funds including total amount, number of bundles and total number of notes within each denomination. Dissection of coin within individual denominations received is also required.

Officer's Recommendation

That the cash shortage of \$500 that occurred in the ECU Australia Ltd cash holdings at the Blackbutt Office be written off as a reportable material loss of an asset belonging to South Burnett Regional Council.

Resolution:

Moved Cr RLA Heit, seconded Cr KA Duff.

That the Officer's Recommendation be adopted.

6.4.1 ART - 1696793 - Adoption of the Regional Arts Development Fund (RADF) Guidelines

Summary

In 2014 the RADF program was revised with new guidelines presented to local councils, allowing councils and communities greater input into how to structure and deliver the program, to best suit their needs.

In 2015 the South Burnett Regional Council commenced work on developing new Regional Arts Development Fund (RADF) Guidelines.

The program focuses on the development of quality art and arts practice for, and with, regional communities by providing the various funding categories.

Therefore we now present the final copy.

Officer's Recommendation

That Council endorse the Regional Arts Development Fund (RADF) Guidelines.

SECTION A - ABOUT RADF

What is RADF?

Regional Arts Development Fund (RADF) is a partnership between South Burnett Regional Council and Arts Queensland, to support professional artists, emerging artists and arts practitioners living in regional Queensland.

RADF funding is there to assist professional arts practitioners across the arts spectrum by facilitating employment opportunities via workshops, or projects for the arts community requiring professional teachers

RADF was established in 1991 and continues to support professional artists and arts practitioners living in regional Queensland. The RADF program focuses on the development of quality art and arts practice for, and with, regional communities.

RADF invests in local arts and cultural priorities, as determined by local communities. The program promotes the role and value of arts, culture and heritage as key drivers to develop sustainable, diverse and prosperous local communities.

In 2014 the RADF program was revised with new guidelines presented to local councils, allowing councils and communities greater input into how to structure and deliver the program, to best suit their needs.

From 2015 the Fund will be delivered flexibly, and local councils can implement locally tailored RADF programs based on priorities determined by them and their communities. This means that RADF may look different in each local government jurisdiction.

RADF is not intended to be used as the main income source for any professional artist or artswoker or for recurrent funding of projects or organisations, e.g. for the same component of the same event every year.

RADF Principles

- **Local** - empower local councils to determine priorities and outcomes through arts and cultural activity to meet the aspirations and needs of their local community.
- **Participation** - ensure local communities in all areas of Queensland have access to arts and cultural initiatives, programs and opportunities that are locally relevant.
- **Quality** - focus on investing in arts and cultural outcomes which will have the highest value to local communities across Queensland.
- **Diversity** - respond to the diversity of communities, councils, arts and cultural activity and practices across Queensland and support flexible delivery models.

Arts Queensland RADF Core Objectives

- Support local artists and arts and cultural activity to deliver value for local communities.
- Provide opportunities for local communities to participate in arts and cultural activities.
- Invest in locally-determined priorities delivered through arts and cultural activity.
- Contribute towards current Government targets and priorities.

South Burnett Regional Council RADF Objectives

- Support skills development of South Burnett professional artists, emerging artists and arts practitioners; and
- Increase local participation in the arts in the South Burnett Region

Who can apply for a South Burnett RADF grant?

- The following categories of individuals and organisations can apply for a South Burnett RADF grant:
- Individual professional artists, emerging professional artists, artswriters, cultural workers or project coordinators who:
- Are based in the Council area, or if based outside the Council area are able to demonstrate how the project will directly benefit arts and culture in the Council area.
- Are permanent residents or Australian citizens.
- Have an Australian Business Number (ABN) or who will be auspiced by an incorporated organisation or individual with an ABN.
- Incorporated arts and cultural organisations based in the Council area, or those based outside the Council area that are able to demonstrate how the project will directly benefit arts and culture in the Council area.
- Unincorporated organizations, auspiced by an incorporated body, that are based in the Council area, or those based outside the Council area that are able to demonstrate how the project will directly benefit arts and culture in the Council area.

Australian Business Number (ABN)

If RADF applicants do not possess a valid ABN, they must be auspiced by an individual or incorporated organisation with a valid ABN (Sponsor) who will manage the grant on behalf of the applicant.

The sponsor is responsible for providing a financial report on completion of the project. It is not responsible for the artistic direction or quality of the project.

What does South Burnett Regional Council's RADF not support?

The following categories of individuals and organisations are not eligible for funding through the South Burnett Regional Council RADF Program:

- Applicants who submit unsigned applications.
- Applicants who have failed to acquit previous RADF grants.
- Projects for which artswriters are paid less than the recommended rates.
- Activities that commence before Council approval is given because South Burnett Regional Council's RADF should not be used as a 'top-up' fund.
- Craft workshops - UNLESS a professional artist or artswriter is employed to work with the craft group to apply their skills in an innovative way to an arts development outcome.
- Murals - funding is available for murals from other government sources as part of anti-graffiti programs.
- School arts activities EXCEPT where those activities form part of broader community cultural development processes or are part of professional arts development.
- Framing or freight - only a small proportion of these costs can be covered as part of presentation costs for significant exhibitions. As a guide only, 10% of the total framing and freight costs would be considered a small proportion.
- Catering costs, openings, launches and parties are not covered by South Burnett Regional Council's RADF grants, even if they are part of an exhibition or community project.
- Entertainment - funding is not available to pay for entertainment at events, UNLESS there is a developmental aspect included, e.g. musicians performing at a community event run a series of

developmental workshops for community members prior to the event.

- Eisteddfods - they are essentially competitions.
- Summer/Winter schools - If an individual is funded to attend a McGregor Summer/Winter School or equivalent institution they will not be eligible to apply to attend that event for another 2 years. .
- Publishing costs are not covered
- Purchase of capital items, e.g. equipment, buildings or vehicles. South Burnett RADF gives artists and organisations opportunities for employment, professional development and a chance to practice their art. Buying capital items does not necessarily lead to these outcomes.
- Recurrent funding for arts organisations - operational expenses are ineligible under South Burnett RADF including wages for permanent staff and office expenses. However, local arts and cultural organisations that have regular community activities may apply for funding annually for different projects which have a project management component.
- Accredited study, training or university courses - Arts Queensland does not fund the primary training of artists, only their professional development once they are practicing.
- South Burnett RADF does not support 100% of any project – maximum percentage able to be funded is 60%

SECTION B – South Burnett Regional Council’s RADF Program

1. Local Delivery and Participation in the Arts

Objective - *To support local creatives to deliver cultural activities within the South Burnett Region*

Funding of 60% total project cost can be used towards:

- Professional or emerging artist fees or artswoker fees, for preparation and delivery time
- Local travel
- Accommodation within region if required
- Venue hire

Funding does not cover:

- Course Materials
- Catering
- Administrative costs
- Promotions & Marketing

Conditions:

Participants are expected to contribute towards costs. Applicant must demonstrate clear evidence of local community support for project by providing letters of support and lists of interested participants, where possible. Applicants are expected to hold valid Public Liability Insurance.

2. Technical & Professional Skills Development

Objective - *To facilitate access to affordable development workshops and training, by subsidising the costs of bringing professional tutors (professional artists or artswokers) to the South Burnett to teach creative groups valuable skills.*

Funding towards 60% total project cost can be used towards:

- Tutor Fees for preparation and delivery time
- Tutor travel to South Burnett

- Accommodation for tutor
- Venue Hire

Funding does not cover:

- Administrative costs
- Course Materials
- Catering
- Promotions & Marketing

Conditions:

Participants are expected to contribute towards costs. Applicant must demonstrate clear evidence of local community support for project by providing letters of support and lists of interested participants, where possible. Tutors are expected to hold valid Public Liability Insurance. Tutors must complete eligibility checklist and supply quote.

Frequency of Rounds

The RADF program will offer two (2) funding rounds per financial year.

Regular Applicants

An individual, group or organisation can only be successful for one grant per financial year.

How are South Burnett RADF Grants Assessed?

Once the funding round has closed, the RADF Liaison Officer copies, collates and sends all applications (plus assessment sheets) to the RADF Management Advisory Committee for assessment.

The RADF management advisory committee comprises of Councillor and art community representatives.

The committee meets twice yearly to recommend the successful applications for Council's consideration.

The RADF Management Advisory Committee will look for activities that:

- Will increase the sustainability of creative communities
- Will benefit the South Burnett Community, both directly and indirectly

SECTION C: YOUR APPLICATION

What should I do before I complete an application form?

It is important that you:

- Read these South Burnett RADF Guidelines
- Read the South Burnett Region Council's Community Assistance Program Policy
- Speak with peers and gain community support for your project
- Ensure your application is for activity that the local community will benefit from either directly and/or indirectly
- Reflect on ways your activity develops your professional life
- Establish your eligibility by completing the South Burnett RADF Eligibility Checklist

How do I complete the RADF grant application form?

1. Your application should give a snapshot of a potentially successful activity.
2. All information required is requested on the form, so:

- ✓ Research thoroughly
 - ✓ Prepare accurately and honestly
 - ✓ Provide all information on the official South Burnett RADF Application Form
3. Brief and clear support material strengthens your application. Include only relevant support material, such as:
- ✓ An Eligibility Checklist and a recent CV must be attached for each professional or emerging professional artsworkeer receiving South Burnett RADF support
 - ✓ Letters of support from groups who will benefit, project partners or stakeholders
 - ✓ Quotes from tradespeople, tutors or other businesses cited in your budget
- Please note that your support material cannot be returned so do not provide originals.*
4. Sign your application. Unsigned applications are not eligible for funding. Keep a copy of your completed application. If your application succeeds, you will use it when you prepare your outcome report at the end of the activity.
5. If you are employing others, think of using employment contracts.
6. Do not staple or bind your application as it will be photocopied for assessment.
7. South Burnett RADF Management Advisory committee may request further information or support material if they are uncertain about an application. Usually you will have only a short time to respond.

What is a CV (curriculum vitae)?

Your CV or résumé is a summary of your career that you send to an employer when applying for a job or to a funding body as part of your application for funding.

Presentation is important. It should:

- Have a well-designed front page
- Be printed in a commonly used font with clear headings
- Be on A4 white paper, stapled – not spiral bound – for ease of photocopying
- Be no longer than four pages, preferably two. Your CV should:
- Be up-to-date in all personal and professional details
- Show the important information on the first page
- Start at the current year and work backwards to build a history of your employment or experience.

Include the following information:

- Your contact details
- Education and qualifications
- Current employment status
- Recent employment history
- Community involvement
- Awards, grants, achievements, exhibitions, performances, screenings, publications, committee and professional memberships (don't use abbreviations or acronyms)
- The names of at least two referees. Some tips for success.

- Think about what your CV says – whether it is easy to read and how it is ordered.
- Be dynamic in how you present your work history and skills.
- Describe yourself in positive language.
- Remember, you get only one chance to make a good first impression.

Do I have to complete a budget?

Yes. You must include a comprehensive budget using the template on the application form. You must:

- Ensure your budget estimates are as accurate as possible. Inflated budget claims may affect the funding decision for your activity.
- Account for all costs of your activity – expenses and income; monetary and voluntary. This includes all items listed in the income column as in-kind.
- Ensure you list all forms of income, including any in-kind, and all other grants you have applied for. Mark an asterisk beside grants which have already been approved.
- Indicate the amount of the South Burnett RADF grant that will go towards any expenditure in the column titled RADF Grant Breakdown.
- In the space provided, include the total amount you are seeking from South Burnett RADF
- As income.
- Ensure the income and expenditure columns balance.

Who can assist me with my application?

The first port of call for assistance with your South Burnett RADF application is to speak with your **Local RADF Liaison officer** who can provide support to applicants.

The RADF Liaison Officer administers the assessment process, meetings, record keeping and correspondence of the Committee.

Another point of call are the Committee members who are a good sounding board. Committee Members are volunteer arts experts who follow RADF guidelines to assess applications for their merit.

If you have a concern regarding the outcome of an application or require further assistance understanding the South Burnett RADF Program and grants process, you may contact the **RADF Liaison Officer** who is responsible for overseeing the South Burnett RADF Program.

The RADF Liaison Officer is the primary contact between Council and Arts Queensland and ensures the appropriate management of the South Burnett RADF Program and RADF Committees.

How do I submit my application?

After completing your South Burnett RADF Application Form and attaching all relevant support material, you must lodge your application with your Council's Regional RADF Liaison Officer by the advertised closing date. You can lodge an application via email, post or in person.

What happens if I am successful?

If you are successful, before you receive your grant money and begin your activity, you will receive from South Burnett Regional Council:

- Two copies of a South Burnett RADF Letter of Offer specifying what the funding is being allocated for and any special conditions that may apply to your application
 - ✓ one copy to sign and return*

✓ one copy to keep for your reference

- All relevant forms you have to complete and return for the release of funds*
- All relevant information you need to acknowledge the State Government and Council who are providing the grant.

*No funds will be released until you sign and return all relevant documents to your Regional RADF Liaison Officer. You must supply a tax invoice for the full grant amount.

The Regional RADF Committee may ask for special conditions of funding to be included in your contract. These must be met through your funded activity.

What happens if I am unsuccessful?

Not all funding applications will be successful. If you are unsuccessful, you will be notified once the results of the funding round have been decided by Council.

The applicant will be advised by formal letter.

You are able to request feedback by contacting the RADF Liaison Officer and are encouraged to adjust your application accordingly and apply for future funding rounds.

I have completed my funded activity. Is there anything else I should do?

Yes. You must complete and submit an Outcome Report to Council no more than 8 weeks after completing your funded activity. This acquits the South Burnett RADF monies you spent.

If you fail to acquit your grant, you will be ineligible to apply for future funding through South Burnett Regional Council's RADF and Arts Queensland. You may be asked to repay the grant.

Your outcome report must show evidence of the outcomes of the activity and how the South Burnett RADF money was spent. It is a chance to reflect on the level of success your activity achieved by:

- Identifying key outcomes
- Assessing the benefits and drawbacks
- Checking your financial estimates against your actual expenditure
- Learning from any difficulties — these can often teach more than successes
- Recognizing the potential for growth or new directions in your work
- Setting new priorities.

If I have a problem, how do I deal with any dispute resolution?

Occasionally, conflict can arise. If this happens, you should, in the first instance, tell your RADF Liaison Officer about any disagreement or conflict with your application.

If the matter has not been dealt with to your satisfaction, you may lodge a formal administrative complaint with Council. Refer to Council's Website.

Who should I contact for more information on South Burnett RADF?

For more information about the South Burnett RADF Program and process, please contact the RADF Liaison Officer, Kimberley Donohue on kdonohue@southburnett.qld.gov.au or phone (07) 4189 9100.

Officer's Reports

9.2.1 NRM&P - 1699062 - Approval of the South Burnett Biosecurity Surveillance Program in accordance with the Biosecurity Act 2014

Summary

Pest Management Programs are a core legislative function of Local Government, prior to the introduction of the *Biosecurity Act 2014*, programs were administered under the *Land Protection (Pest and Stock Route) Management Act 2002*.

Under the Biosecurity Act 2014 Council is required to develop and conduct a Biosecurity Surveillance program formerly known as a pest survey program to detect and monitor the treatment of restricted and prohibited weeds and pest animals species within their Local Government area.

A Biosecurity Surveillance program enables authorised local government officers to conduct property inspections to identify and map the extent of outbreaks and monitor treatment programs to assist landholders to meet their general biosecurity obligation under the *Biosecurity Act 2014*.

Officer's Recommendation

That Council approve the commencement of the South Burnett Biosecurity Surveillance Program for restricted and prohibited matter under the *Biosecurity Act 2014* across the South Burnett Regional Council area starting on 20 January 2017 and finishing 30 June 2017.

**South Burnett Biosecurity Surveillance Program for
Restricted and Prohibited Matter under the *Biosecurity
Act 2014***

1 Biosecurity Program

1.1 Program Name

The surveillance program (pest survey) for invasive plants and animals that are prohibited or restricted biosecurity matter in the South Burnett Local Government Area will be known as the South Burnett Biosecurity Surveillance Program (the program).

The biosecurity matter to which the program may relate includes all invasive biosecurity matter as defined in section 48(1) of the Act.

2 Requirement for a Surveillance Program

2.1 Purpose and rationale

The *Biosecurity Act 2014* (the Act) provides for the establishment of surveillance programs. Surveillance programs are directed at any of the following—

- (a) monitoring compliance with the Act in relation to a particular matter to which the Act applies;
- (b) confirming the presence, or finding out the extent of the presence, in the State or the parts of the State to which the program applies, of the biosecurity matter to which the program relates;
- (c) confirming the absence, in the State or the parts of the State to which the program applies, of the biosecurity matter to which the program relates;
- (d) monitoring the effects of measures taken in response to a biosecurity risk;
- (e) monitoring compliance with requirements about prohibited matter or restricted matter;
- (f) monitoring levels of biosecurity matter or levels of biosecurity matter in a carrier.

The objectives of the South Burnett Biosecurity Surveillance Program (the Program) are:

- (a) Confirm the presence, and find out the extent of the presence in the South Burnett, of the prohibited or restricted matter to which the program relates;
- (b) Confirm the absence in the South Burnett, of the prohibited matter to which the program relates;
- (c) Monitor the effects of measures taken in response to a biosecurity risk posed by invasive biosecurity matter

Pest Management Programs are a core legislative function of Local Government, prior to the introduction of the *Biosecurity Act 2014*, programs were administered under the *Land Protection (Pest and Stock Route) Management Act 2002*.

Previous pest surveys for declared pests in the South Burnett under the *Land Protection Pest and Stock Route Management Act* have detected restricted biosecurity matter formerly known as class 1 and 2 declared pests.

Ongoing surveillance of these species is required to support spread prevention and control programs.

2.2 Measures that are required to achieve the purpose

The key activities undertaken by the Program include but are not limited to;

- Conduct inspections on public and private land to determine the presence, extent and risk posed by prohibited or restricted matter (formerly known as declared weeds and pest animals). Surveillance will be conducted by Authorised Officers predominantly by visual ground inspection. Inspection may also be undertaken by aerial survey or fixed camera traps.
- Provide information and advice to the property owner or relevant party regarding the level of risk and appropriate control measures required to meet the owner or relevant parties general biosecurity obligation.
- Provide information about support programs that may be available
- Monitor treatment programs and enforce compliance where necessary.

2.3 Powers of authorised officers

Entry of place

The Act provides that authorised officers appointed under the Act may, at reasonable times, enter a place situated in an area to which a biosecurity program applies, to take any action authorised by the biosecurity program¹. These activities must be done in a timely and efficient manner to ensure that the measures are as effective as possible. The Program will authorise entry into places to allow these measures to be undertaken.

In accordance with the Act a reasonable attempt will be made to locate an occupier² and obtain the occupier's consent to the entry prior to an authorised officer entering a place to undertake activities under the Program. Nevertheless, an authorised officer may enter the place if³—

- (a) The authorised officer is unable to locate an occupier after making a reasonable attempt to do so; or
- (b) the occupier refuses to consent to the entry.

If after entering a place an authorised officer finds an occupier present or the occupier refuses to consent to the entry—an authorised officer will make reasonable attempts to produce an identity card for inspection and inform the occupier of the reason for entering and the authorisation under the Act to enter without the permission of the occupier. An authorised officer under the South Burnett Biosecurity Surveillance Program must make a reasonable attempt to inform the occupier of any steps taken, or to be taken, and if steps have been taken or are to be taken, that it is an offence to do anything that interferes with a step taken or to be taken.

An authorised officer must leave a notice in a conspicuous position and in a reasonably secure way. This notice must state the date and time of entry and information addressing the reason for entry, authorisation to enter a place and the steps undertaken by the authorised officer after entry.

¹ See section 261 (Power to enter a place under biosecurity program) of the Act.

² The Act defines an *occupier*, of a place, generally to include the person who apparently occupies the place (or, if more than 1 person apparently occupies the place, any of the persons); any person at the place who is apparently acting with the authority of a person who apparently occupies the place; or if no-one apparently occupies the place, any person who is an owner of the place.

³ See section 270 (Entry of place under sections 261 and 262) of the Act.

Power to carry out aerial controls measures

The power to carry out aerial control measures is authorised by a biosecurity program under the Act⁴. This means that an authorised officer may carry out, or direct another person to carry out, the aerial control measure for a prohibited or restricted biosecurity matter in relation to a place to which the Program relates.

Obligations

A person must not interfere with cameras or traps placed to detect invasive biosecurity matter.

General powers of authorised officers

Nothing in the Program or its associated Authorisation limits the powers of authorised officers under Chapter 10 of the Act.

2.4 Consultation

Consultation was undertaken with Department of Agriculture and Fisheries

3 Authorisation of a biosecurity surveillance program in the South Burnett Local Government Area

Authorisation of the South Burnett Biosecurity Surveillance program was made by a resolution of South Burnett Regional Council at a general meeting held on 18 January 2017.

3.1 Biosecurity matter

The biosecurity matter to which the Program relates may include any invasive biosecurity matter as defined in section 48(1) of the Act.

3.2 Purpose of the Program

The purpose of the Program in the South Burnett Local Government Area is to;

- (a) Confirm the presence, and find out the extent of the presence in the South Burnett, of prohibited or restricted biosecurity matter to which the program relates;
- (b) Confirm the absence in the South Burnett, of prohibited or restricted biosecurity matter to which the program relates;
- (c) Monitor the effects of measures taken in response to a biosecurity risk posed by prohibited or restrictive matter
- (d) Conduct inspections on public and private land to determine the presence, extent and risk posed by prohibited or restricted matter (formerly known as declared weeds and pest animals). Surveillance will be conducted by Authorised Officers predominantly by visual ground inspection. Inspection may also be undertaken by aerial survey or fixed camera traps.

⁴ See section 294 (Power to carry out aerial control measures under biosecurity program) of the Act. Section 294(6) of the Act defines **aerial control measure**, for biosecurity matter, to mean an activity, done from the air by an airborne machine or a person in an aircraft, to achieve a purpose of a biosecurity program and includes the following—

- surveying and monitoring the biosecurity matter;
- distributing an agricultural chemical to control the biosecurity matter.

- (e) Provide information and advice to the property owner or relevant party regarding the level of risk and appropriate control measures required to meet the owner or relevant parties general biosecurity obligation.
- (f) Provide information about support programs that may be available
- (g) Monitor treatment programs and enforce compliance where necessary.

3.3 Area affected by the Program

The surveillance program is authorised for the whole of the South Burnett Local Government Area. Individual properties will be selected for inspection based on observation or known presence of prohibited or restricted biosecurity matter, or the receipt of reports or complaints.

3.4 Powers of authorised officers

An authorised officer of the Program appointed under the *Biosecurity Act 2014*, may enter a place—other than a residence⁵—without a warrant and without the occupier’s consent within the State of Queensland under the Program⁶. An authorised officer appointed under the *Biosecurity Act 2014* will also have the power to enter a place under the Program.⁷

An authorised officer can exercise the powers of an authorised officer under the Act in relation to the Program, if the authorised officer is appointed by the chief executive⁸. An authorised officer has general powers after entering a place to do any of the following⁹:

⁵ The Act defines a *residence* to mean a premises or a part of a premises that is a residence with the meaning of section 259(2) and 259(3).

⁶ See section 259 (General powers to enter places) of the Act.

⁷ See section 261 (Power to enter a place under biosecurity program) of the Act.

⁸ See section 255 (3) (Powers of particular authorised officers limited) of the Act.

⁹ See section 296 (General powers) of the Act.

4 PUBLIC NOTICE

Notice of a Biosecurity Surveillance Program for Restricted and Prohibited Matter.

Biosecurity Act 2014

South Burnett Regional Council

PURPOSE AND SCOPE OF THE PROGRAM

Purpose

The purpose of the Program in the South Burnett Local Government Area is to;

- (h) Confirm the presence, and find out the extent of the presence in the South Burnett, of prohibited or restricted biosecurity matter to which the program relates;
- (i) Confirm the absence in the South Burnett, of prohibited or restricted biosecurity matter to which the program relates;
- (j) Monitor the effects of measures taken in response to a biosecurity risk posed by prohibited or restrictive matter
- (k) Conduct inspections on public and private land to determine the presence, extent and risk posed by prohibited or restricted matter (formerly known as declared weeds and pest animals). Surveillance will be conducted by Authorised Officers predominantly by visual ground inspection. Inspection may also be undertaken by aerial survey or fixed camera traps.
- (l) Provide information and advice to the property owner or relevant party regarding the level of risk and appropriate control measures required to meet the owner or relevant parties general biosecurity obligation.
- (m) Provide information about support programs that may be available
- (n) Monitor treatment programs and enforce compliance where necessary.

Program Area

The surveillance program is authorised for the whole of the South Burnett Local Government Area. Individual properties will be selected for inspection based on observation or known presence of prohibited or restricted biosecurity matter, or the receipt of reports or complaints.

START DATE AND DURATION OF THE PROGRAM

Program will commence on 20 January 2017 and extend for a period of seven (6) months until 30 June 2017.

AVAILABILITY AND PRICE OF A COPY OF THE PROGRAM AUTHORISED BY THE CHIEF EXECUTIVE

A copy of the Program (including its Authorisation) is available for inspection at the South Burnett Regional Council Administration building at Glendon Street, Kingaroy and regional offices. A copy of the Program is also available to view and print at no cost on the South Burnett Regional Council website at www.southburnett.qld.gov.au. A copy of the Program Authorisation will be provided on request by contacting the South Burnett Regional Council Customer Service Centre on (07) 4189 9122.

Officer's Recommendation

That Cr Heit's Finance, ICT and Human Resources Portfolio Report to Council be received.

Resolution:

Moved Cr RLA Heit, seconded Cr RJ Frohloff.

That Cr Heit's Finance, ICT and Human Resources Portfolio Report to Council be received.

Finance

Financial Report

Council's actual financial results as at 31 December 2016 are presented in the comprehensive income statement alongside the Second Quarter Proposed Operating Budget.

The financial ratios for cash, operating cash, working capital and funded long term liabilities are all within the industry guide.

All revenue items are within budget except for Interest Received and Other Income for which relevant adjustments have been incorporated in the proposed operating budget. Total recurrent expenses are within budget limits.

Second Quarter Operating Budget Review

A review of the 2016-2017 Operating Budget has been undertaken as at 31 December 2016. The proposed budget forecasts an operating surplus of \$525,170. The breakdown of the operating surplus is reflected in the report attached to the Council Meeting Agenda.

As compared to the 1st Quarter Revised Budget, the Revenue decreased by \$622,693 mainly on account of the decrease in budgeted interest income resulting from lower investment interest rates. The savings generated from employee benefits and materials and services totalling \$269,179 have offset the decrease in revenue, resulting to a net decrease in operating surplus of \$353,514. In comparison to the Original Budget, the operating surplus in the 2nd Quarter Proposed Budget reflects a decrease of \$264,521.

The proposed budget change in capital revenue is mainly due to a decrease in the budgeted capital grant for the Kingaroy Waste Water Treatment Plant; while the proposed increase in capital income is on account of a budget for the sale proceeds of Council owned freehold land amounting to \$45,455.

Second Quarter Capex Budget Review

The 2016-2017 Capex Budget review resulted to a proposed \$1,037,700 decrease in the capital expenditure budget from \$32.998 Million to \$31.961 Million.

The decrease in the Road and Drainage budget of \$1,043,700 and the increase in Buildings amounting to \$6,000 account for the proposed decrease in the capex budget.

The reduction in the budget for bridge replacement amounting to \$682,200 and the net decrease in the projected expenditure for the Blackbutt Town Development of \$512,000 mainly represent the budget decrease in Road and Drainage. These amounts will be transferred from the 2016-2017 Restricted Cash and the capex budget for these projects will be provided in 2017-2018.

The movement in Buildings is due to the increase in Council's counterpart funding for the refurbishment of the Kingaroy Reception Room roof from \$50,000 to \$56,000.

Year-to-date actual capital expenditures amount to \$10.691 million and commitments total \$6.994 million.

Six-monthly Rate Notice

The final six-monthly rate notice for the financial year 2016-2017 will be issued on 21st February with a discount date on 28th March.

Human Resources

SBRC has now met all of our deliverable obligations to date for the Enforceable undertaking, the latest deliverables submitted and accepted 23 December 2016 including completion of retrofit of sensors and reversing cameras on all high risk plant at Kingaroy Landfill, upgrade to safety management system and the progression toward the development of an electronic data base for reporting/contractor management.

10.2 Finance (F)***Officer's Reports*****10.2.1 F - 1699384 - Second Quarter Capital Budget Review 2017****Summary**

A review of the 2016/2017 Capital Budget has been undertaken to take into account any necessary amendments and known changes. Increase in Buildings is due to the \$6,000 increase in Council's budgeted contribution for the refurbishment of the Kingaroy Reception Room Roof - with funding grant of \$84,000. The decrease in Road and Drainage is mainly due to the reduction in the budget for bridge replacement amounting to \$ 682,200 and the net decrease in the budget for the Blackbutt Town Development of \$512,000.

The following table summarises the result.

Capital Budget

	First Quarter Revised Budget	Second Quarter Proposed Budget	Movement
Buildings	\$2,658,000	\$2,664,000	\$6,000
Plant and Equipment	3,727,800	3,727,800	
Road and Drainage	14,617,155	13,573,455	(1,043,700)
Water	3,994,530	3,994,530	
Waste Water	7,604,850	7,604,850	
Waste	396,600	396,600	
Total	\$32,998,935	\$31,961,235	(\$1,037,700)

The revised Capital Program is attached.

Officer's Recommendation

That in accordance with Section 170(3) of the *Local Government Regulation 2012* the revised Capital Budget to 30 June 2017 be adopted.
