

**SOUTH BURNETT
REGIONAL COUNCIL**

Employment Opportunities

GRADUATE ENGINEER DESIGN (NANANGO)

Permanent Full Time

\$71K - \$87K per annum + Allowances + Super

Council is seeking a graduate to undertake engineering investigations, the design of Council's civil capital works program and to provide engineering technical assistance in a professional and efficient manner. This position will assist with preparing engineering designs using civil design packages (AutoCAD, 12D, Drains) methods in accordance with the relevant standards, technical publications, guidelines and "best design" practice and prepare estimates of cost and necessary project documentation to facilitate the delivery of works. The successful applicant will have relevant experience with civil design, including surveying, drafting, project coordination and contract administration, and in preparing civil engineering designs, including roadworks, water mains and drainage designs.

MANDATORY:

- Minimum requirement of a current C Class driver's licence.
- General Safety Induction for Construction Worker Certification (White Card).
- Tertiary qualifications in a relevant field (e.g. Bachelor Degree in Civil Engineering) (desirable).

BENEFITS INCLUDE:

- Work/Life balance (9 Day Fortnight Roster).
- Up to 12% employer superannuation contribution.
- Access to Salary Packaging Benefits, Corporate Memberships and Health and Wellbeing programs.

Your application must include:

- A cover letter including statements addressing the key selection criteria (these and tips to complete are available on our website)
- Current resume
- Copies of your tickets, licenses and qualifications that are listed on the position description.
